****Case No.:** 2024-COMM-01234**

****Court:** Delhi High Court (Commercial Division)**

****Plaintiff:** Fast Retail Pvt. Ltd.**

****Defendant:** Tech Solutions Pvt. Ltd.**

****Judgment Date:** 15th March 2024**

****Judge:** Hon. Justice R. K. Singh**

****Summary of the Case:****

The Plaintiff, Fast Retail Pvt. Ltd., brought an action against the Defendant, Tech Solutions Pvt. Ltd., for breach of contract, alleging that the Defendant failed to deliver a mobile application by the deadline specified in their contract.

****Findings:****

- **Breach of Contract:**** The court found that the Defendant did indeed fail to meet the contractual deadline of 15th January 2024, as stipulated in the agreement dated 1st September 2023. The court determined that the Plaintiff had reasonably relied on the timely delivery of the mobile app and that the Defendant did not provide adequate justification for the delay.
- **Damages:**** The court considered the Plaintiff's claim for damages amounting to ₹80,00,000, which included lost business opportunities and costs for interim solutions. The court found that the Plaintiff's claim was substantiated and directly linked to the Defendant's failure to deliver as promised.

****Court's Decision:****

The court ruled in favor of the Plaintiff, Fast Retail Pvt. Ltd., and ordered the Defendant, Tech Solutions Pvt. Ltd., to pay damages in the amount of ₹60,00,000. The court found that while the Plaintiff's losses were significant, not all of the claimed damages were directly attributable to the Defendant's breach.

****Conclusion:****

The judgment is final, and the Defendant is required to make payment within 30 days of the judgment date.
