Email from Client to Developer

Subject: Concerns Regarding Mobile App Delivery

Date: 10th January 2024

Dear Tech Solutions Team,

I hope this email finds you well. I'm writing to express my concern regarding the delivery timeline for the mobile app. As per our contract, the app was scheduled to be completed by 15th January 2024. However, we haven't received any updates on the progress.

Could you please provide an update on the current status and confirm if we are still on track for the agreed deadline? Additionally, I would appreciate it if you could clarify the features that will be included in the final delivery.

Thank you for your prompt attention to this matter.

Best regards,
Jatin Pathak
